

MS-HCI Project Proposal Approval Form

This form is for students enrolled in the Master of Science in Human-Computer Interaction (MS-HCI) Program. The semester prior to undertaking the project, the student must find a faculty member willing to supervise the project and develop a project proposal. Complete this form in consultation with the faculty member who will be responsible for supervising your project and assigning your grade. Bring the completed form to Dr. Carrie Bruce and upload your proposal to the TSquare site.

Your proposal should include the following and may include other components according to your project needs:

- * Introduction/Background
- * Potential Ideas, Concepts, or Contributions
- * Expected Activities and/or Methodologies
- * Expected Resources
- * Schedule of Work
