MS-HCI Project Proposal Approval Form & PERMIT 6998

This form is for students enrolled in the Master of Science in Human-Computer Interaction (MS-HCI) Program. The semester prior to undertaking the project, the student must find a faculty member willing to supervise the project and develop a project proposal. Complete this form in consultation with the IC faculty member who will be responsible for supervising your project and assigning your grade. Bring the completed form to the Office in TSRB Room 224.

Please attach your project proposal and certification that you have passed the training for protection of human subjects.

- Problem Statement of Project Goals
- Solution proposal of Approach
- Methodology and System Approach
- Expected Results or Outcome (Deliverables)
- Schedule of Work

The attached proposal was developed under the advisement of a faculty member and it is a fair representation of the work I expect to accomplish to complete the MSHCI Project.

Student Name (please print): __________________________________________________________

GT ID Number: ___________________________ E-mail: ___________________________

Semester: □ Spring □ Fall Year: 20____

School: □ CS □ ID □ PSYCH □ LCC

Project Title: ______________________________________________________ Credit Hours: ____

Student’s Signature: ___________________________ Date: ______________

Supervising Faculty Approval (for project and 6998 permit):
I agree to supervise this student in the performance of a Masters project during the specified term, and certify that the proposed work represents an appropriate effort for the credit hours awarded. Each credit hour must represent AT LEAST 50-60 hours of work by the student.
